

Premier Grip

Avoid slipping in the shower

- The ideal solution for changing rooms in gyms, leisure centres, swimming pool areas or ablution blocks at camping facilities
- These interlocking tiles are easy to install
- Can easily be removed to clean the tile and the area
- Drainage properties avoids water pools on floor
- Gritty surface can avoid costly slipping accidents and is comfortable for bare foot

Parts

Part Number	Size	Colour	Weight (kg)
PG010001	453 mm x 294 mm	Black	1.15
PG060001	453 mm x 294 mm	Grey	1.15

Technical Specifications

Material	Recycled PVC
Product Height	12 mm
Product Weight	1.15 kg
Fire Tested to	EN13501 Euro Classification E(F1)
COO (Country of Origin)	CN
Guarantee	5 years
Slip Tested to	DIN 51130: 1992
