

SPC SOLAR PANEL CLEANER

PRODUCT LABEL AND DATA SHEET

PRODUCT CODE: SPC

A solar panel cleaner is a specialized product designed to clean and maintain the surface of solar panels, which are used to convert sunlight into electricity. The purpose of a solar panel cleaner is to remove dirt, dust, debris, and other contaminants that accumulate on the surface of the panels over time, as these substances can reduce the efficiency and output of the solar panels. Overall, a solar panel cleaner is a specialized product that helps maintain the cleanliness and efficiency of solar panels. By regularly cleaning the panels, the cleaner ensures optimal sunlight absorption and maximizes the electricity generation from solar power systems.

- Concentrated
- Safe on Painted Surfaces
- Good Rinsability
- High Foaming
- Will Not Cause Emulsification in Oil/ Separator Tanks
- Areas of use - Solar Panels

Colour: Pink
Appearance: Liquid
pH: Neutral

Density: 1.05 Kg/Lt
Packaging: 1Lt, 5Lt; 25Lt ;210Lt
Smell: Glycol

METHOD OF APPLICATION

- Cleaning mechanism:** The cleaner employs various methods to remove dirt and debris from the solar panel surface. This can include brushes, wipers, or microfiber pads that gently scrub the panel without causing any damage.
- Water supply:** A water source is necessary for the cleaning process. The cleaner may include a built-in water tank or be connected to a water supply system for continuous cleaning. Water is sprayed onto the panel surface to help dislodge dirt and provide a thorough cleaning.
- Cleaning solution:** A cleaning solution is added to the water to enhance the cleaning process. The solution helps to break down and remove stubborn stains, bird droppings, or other types of residue.
- Safety features:** Solar panel cleaner prioritize safety to avoid any damage to the panels.

DILUTION RATIO

Light Duty Cleaning –	1:50 with water
Heavy Duty Cleaning –	1:25 with water

IF INGESTED, SEEK MEDICAL ATTENTION

Eyes:	Rinse with water. Seek medical care.
Ingestion:	Drink water. Seek medical care.
Skin:	Wash contact area with soap and water.
Inhalation:	Remove patient to fresh air.

IMPORTANT: Always keep product out of children's reach. Ensure that the product lid remains closed and tightened at all times. Keep away from extreme heat and naked flame.

WE DO NOT ACCEPT LIABILITY FOR CLAIMS OF ANY KIND FOR ANY LOSS INCLUDING, WITHOUT LIMITATION, CONSEQUENTIAL LOSS, INJURY OR DAMAGE ARISING FROM THE USE OF THE PRODUCTS WHICH ARE THE SUBJECT MATTER HEREOF.
